Jacob Snow

Credits

Total Attempted Credits:

183

Total Completed Credits:

142

Current Pace (80% is required):

77.59%

Credits needed at 100% completion to get back on pace:

22

Pace Plan Credits

Term	Number of Credits at 100% Completion	Resulting Pace %
Spring ▼	16	79.39
Fall ▼	12	80.56
Winter ▼	12	81.61
Spring ▼	12	82.55
	52	

Add Term

Is your plan reasonable? [#]

Carefully determine how many credits you can realistically complete at a 100% rate each quarter. Students who struggle to complete 10 to 12 credits per quarter, but include 15 credits per quarter in their plan will likely have their aid reinstatement petition denied for submitting an unrealistic plan. For purposes of getting back on Pace, it is better to enroll in fewer credits to achieve a 100% completion rate than it is to enroll in more credits, but get less than a 100% completion rate.
